

FLAME  
UNIVERSITY

Dear Sir/Madam,

FLAME University is proud to announce the 9<sup>th</sup> edition Kurukshetra, an intercollegiate fest for sports, cultural and management events, to be held on the dates of 16<sup>th</sup> to 19<sup>th</sup> February, 2017.

**FLAME Kurukshetra** was first held in 2009 and has, since then, grown from a local sports festival to make its name as one of the most prestigious student organised sports festivals in the country. The last edition saw the transition of FLAME Kurukshetra from a sports fest, to a fest that involved Sports, Cultural and Management. Across the years, over 4000 students from over 120 colleges around the country took part in the events which culminated in some mesmerising musical performances by the likes of Indian Ocean, Raghu Dixit, Daira, Voctronica and Coke Studio, featuring Papon!

It is my distinct honor and pleasure to invite you to the inaugural session of the **FLAME Kurukshetra Model United Nation**, to be held on the **28<sup>th</sup> and the 29<sup>th</sup> of January, 2017**.

In today's era of globalisation, events half way across the world have direct implications on us. Hence it has become exceedingly important to understand what is happening across the globe. A Model United Nations conference or MUN facilitates such an understanding. It is an academic competition where students from various backgrounds can learn about international relations, diplomacy and the United Nations. Additionally an MUN gives delegates a chance to test their debating skills against the others.

This year FLAME Kurukshetra MUN will be simulating four committees. Each committee will have agendas that deal with the critical issues of our times. Through the committee we aim to provide a platform for delegates to understand how contemporary international politics.

We look forward to the participation of students from your institution in our conference, and await a chance to welcome them with much enthusiasm.

Sincerely,

**Rahul Bhatia**

Secretary-General
